

# Let Your Leadership Shine

**Draw Your Dream Team.**

Your dream team might include family, friends, fictional characters, pets, or even future you. Who helps you show up as your best self?

**nurture it:**

**voice it, draw it, write it, record it:**

How are you feeling today?

**reflect it:**

**Who lifts you up when  
courage wobbles?**

**Who helps you lead with  
heart?**
